

FIG. 1

2025 RELEASE UNDER E.O. 14176

FIG. 2A is a schematic diagram of a system 140. The system 140 includes a horizontal line 150. Above the line 150, there are three vertical lines 142, 144, and 146. Each vertical line has a box 142, 144, and 146 respectively. Box 142 contains 'I1' and '21'. Box 144 contains 'I2' and '24'. Box 146 contains 'I3' and '31'. To the right of each box is the text 'MI', 'G:21', 's:1' for box 142, 'MI', 'G:24', 's:1' for box 144, and 'MI', 'G:31', 's:1' for box 146. Below the line 150, there are two vertical lines 148 and 150. Each vertical line has a box 148 and 150 respectively. Box 148 contains 'T1' and '23'. Box 150 contains 'T4' and '35'. Dotted lines with arrows connect the boxes 142, 144, and 146 to the boxes 148 and 150. The dotted lines are labeled 152, 154, and 156 respectively.
